Special Diploma, 1887.

With a record of over twenty-five years' practical experience in business, during which time we have been the leaders in introducing improved machinery and facilities for doing the best quality of work in the quickest possible time, and having produced some of the finest examples of the electrotyper's art in the country, in book, job and illustrated work, we feel confident that our

ELECTROTYPING
AND
STEREOTYPING

warrant our soliciting the patronage of all who are in want of perfect and durable plates, and give assurance that the same high standard of quality will be maintained as in years past. Orders received for wood or photo-engraving, and type composition for electrotyping. Type forms called for and delivered daily in the city proper. H. C.
